8. Individual Exposure / Protection Control

Occupational Exposure

For external use only. Do not use this product if you are sensitive to any of its ingredients. Please use this product only for the purpose for which it was intended and in accordance with the directions for use. Do not ingest. Avoid contact with the eyes. Keep out of children's reach. Always patch test clients before use

9. Physical & Chemical Properties

Specific Gravity (H₂O=1)

Typical, 1.00 – 1.02

Vapour Density (Air=1)

<1.0

Molecular Formula

H₂O, C₆₆H₁₀₀NO₄₉, C₃₆H₇₀O₁₉, C₄H₆N₄O₃, NaHSO₃, C₈H₁₀O₂, C₈H₈O₃, C₁₁H₁₄O₃, C₁₀H₁₂O₃, C₉H₁₀O₃, C₁₁H₁₄O₃

Solubility in Water

Insoluble, but miscible in water

Appearance

Hazy Gel

Odour

Typical

10. Stability & Reactivity

Chemical Stability

Stable

Product Decomposition Warning

None

Dangerous Reactions

None

Incompatibility With Other Materials

Avoid Strong Acid or Strong Alkaline

Decomposition Products

None

Hazardous Polymerization

Will Not Occur

11. Toxicological Information

Declaration

This is a Cosmetic product that is safe for use for consumers subject to a patch test prior to use. It is also safe for other users under intended and reasonable foreseeable use. This product is intended for implantation into the skin by trained professionals only. There have been no noted dangerous health effects caused by exposure to this product subject to the patch testing instructions being followed prior to use.

12. Ecological Information

Declaration

Always use good work practices; do not knowingly dispose of the product into the environment. Use correct disposal methods at all times

13. Disposal Caution

Disposal Information

This product is considered as non-toxic and non-hazardous waste depending on its use. Once it comes into contact with skin it then may be classed as contaminated waste and will need to be disposed of under the regulations set by your local authority.

14. Transportation Information

Specific Risks

No Warnings to Indicate

International Transport Classification

Not Classified

ADM Road Transportation

Not Classified

RID/RPM Rail Transportation

Not Classified

IMO/IMDG Ship Transportation

Not Classified

DOT Shipping Name

N/A

DOT Hazard Class

N/A

15. Regulatory Information

Classification Type

European standard of compliance 76/768/EEC, registration no. ATS 2006302
